PERSONS WITH DISABILITIES

PwD is a bus service that you can ride to work, shopping, visiting or to any of your appointments. Anywhere you want to go!

For best service, call us before you schedule your appointments—we'll tell you the best time to schedule.

All buses in our system are wheelchair-accessible.

PwD is available for those with disabilities aged 18 to 64 years old.

Call or stop by our office today to see if you are eligible. You will receive an application that will be used to determine eligibility as well as complete program information.

This program is considered a payer of last resort, which means that if you already receive some kind of funding for transportation such as medical trip assistance those trips are not eligible through the PwD. If you have some transportation funded, you may still be eligible for PwD to fund other types of trips.

**Transportation not available:
New Years Day, Memorial Day,
Independence Day, Labor Day,
Thanksgiving Day and Christmas Day.
Service may be limited or
suspended during inclement weather.**

RATES

The PwD Service is only for persons with disabilities between the ages of 18-64. Funding for this service only pays for a portion of the trip, the passenger must pay a \$3.00 fare regardless of where the origin or destination of the trip is within our Reserve-A-Ride/Shared Ride Service Area.

Certain restrictions apply based on seating available and trip eligibility. Fares subject to change. Ask our customer service representative for fare information when you make your reservation.

The PwD Service is subsidized by the Pennsylvania Rural Transportation Program for Persons with Disabilities.
