

#	Question	CamTran Response
1	Is it possible to provide a copy of the PennDOT 5 year Performance Review referenced on page 14 of the RFP?	This information is found on the following website, then click on the CamTran link: https://www.penndot.gov/Doing-Business/Transit/InformationandReports/ACT%2044%20Transit%20Agency%20Performance%20Reviews/Pages/Reports-2017-Present.aspx
2	Is the current accounting system capable of handling a consolidated general ledger?	Yes
3	Does the current accounting system have an inventory and fixed asset module capable of tracking multiple division or are these items maintained within systems independent of the G/L?	This information is maintained in the CamTran internal Fleet-Net fixed asset module which is part of our ERP software package and not maintained in a separate system.
