

#	Question
1	Is the current auditor being included in the RFP process?
2	Are you disclosing the current fee paid, and if so, what is that fee?
3	How many days/how many people are normally on site for the audit fieldwork?
4	What accounting software is used, and is it the same for CamTran and the Inclined Plane?
5	How many audit adjustments were there in the prior year, and can you provide a copy?
