

#	Question	CamTran Response
1	Have any addenda been released for this bid?	No addenda have been released prior to this one. This will be the first and only addendum.
2	I notice you have both N30 and N45 pay terms listed in the bid, which one is correct?	N30 is the correct bid term.
3	When will tabulations be available after the opening?	As stated in the IFB, bids will be opened on Thursday, February 14, 2019 at 1 p.m. Once all of the proposals are received and analyzed, a recommendation memo to the CamTran Board of Directors is completed. The CamTran Board of Directors will approve the award at the next regularly scheduled Board meeting. All participants are notified via e-mail as to which of the firms has been awarded the contract (s). At that time, bid tabulations will be provided upon request-possibly February 22, 2019.
4	Will you accept xyz's clauses? Clauses attached, please indicate which clauses would be acceptable and which would be cause for rejection?	CamTran will not accept any terms outside of the original Invitation for Bid (IFB).
5	On 1/21/19 we sent a FOIA requesting Invoices and Bills of Ladings for the past 6 months. When will this information be available?	Specific requests for information are currently being processed and the information will be released as soon as possible.
6	Will you need the awarded vendor to provide winter additives for your diesel fuel? If so should this be noted as a separate line item?	Yes. The winter fuel treatment will be done by the vendor, November thru March. No, this does not have to be included as a separate line item.
