CamTran PAY

Public transit at your fingertips

CamTran PAY offers a simple new way to buy
tickets and passes, add funds, and track rides:
all in one place.

HOW TO BUY A BUS FARE

Download the CamTran PAY app

Get a CamTran PAY plastic smart card

Purchase bus fare with cash

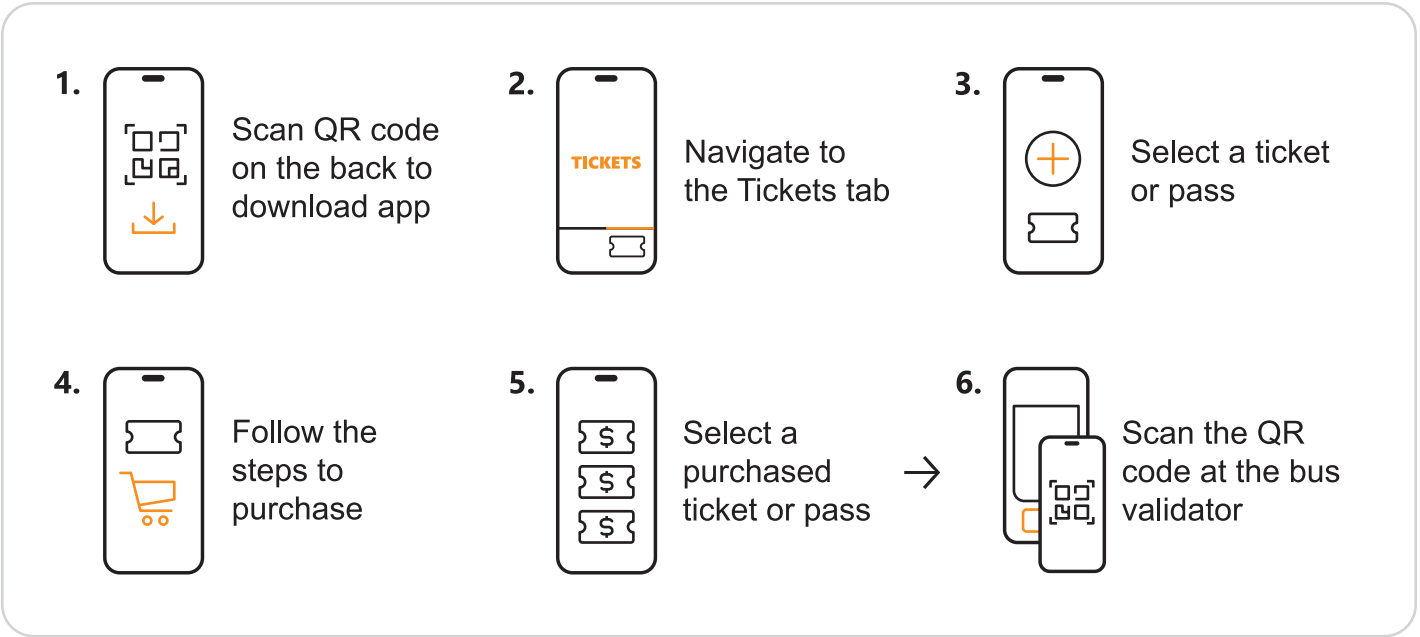

THE 3 WAYS TO USE CAMTRAN PAY

1. CamTran PAY Mobile Application

→ How to buy a ticket or pass

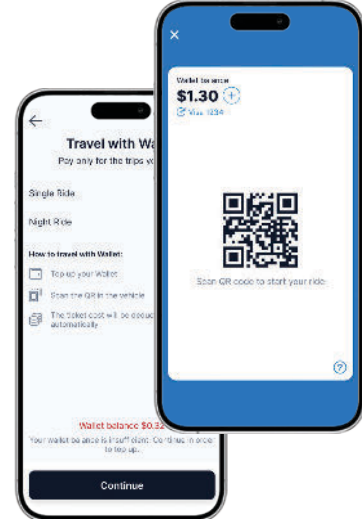

- ✓ Download the CamTran PAY mobile app from the App Store or Google Play Store.
- ✓ Open the app and select the Tickets tab.
- ✓ Choose the desired ticket or pass and follow instructions to complete the purchase.

→ How to use a ticket or pass

→ How to reload your account with e-wallet

- ✓ Go to the Tickets tab and select Travel with Wallet.
- ✓ If you are using the “Top up” feature for the first time, select “Top up”, enter bank card information, and proceed to payment.
- ✓ If you have already used the "Top up" feature, to reload your balance, select the + icon next to the balance, follow the on-screen prompts, and scan the QR code on the bus validator.

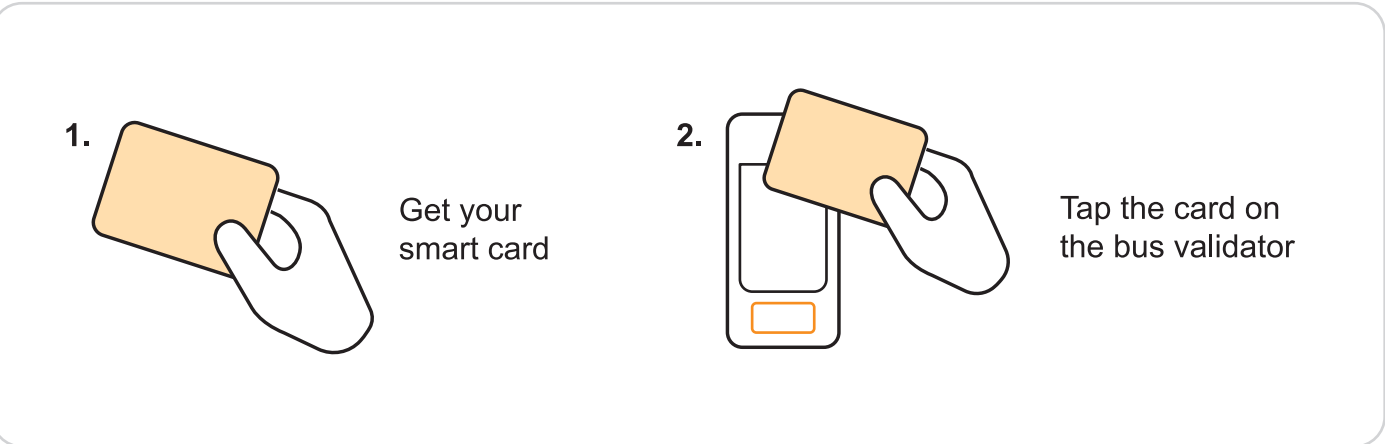

2. CamTran PAY Reusable Smart Card

→ How to get a smart card

Purchase a card at one of CamTran’s three locations listed on back.

→ How to use your smart card

→ How to reload your smart card

In Person

Reload your account at one of CamTran’s three locations listed on back.

CamTran PAY Mobile App

Download the app and connect your account using the email used when buying your smart card. Then select a ticket or a pass and follow the instructions to complete the purchase.

CamTran PAY Online

Visit pay.camtranbus.com and sign in by entering the email address used when registering your smart card. Then choose your desired ticket or pass and follow the instructions to complete purchase.

To use and connect the mobile app, smart card, and/or online reload, you must use the same email address across the system. If using social login, make sure your social profile is linked to the same email address.

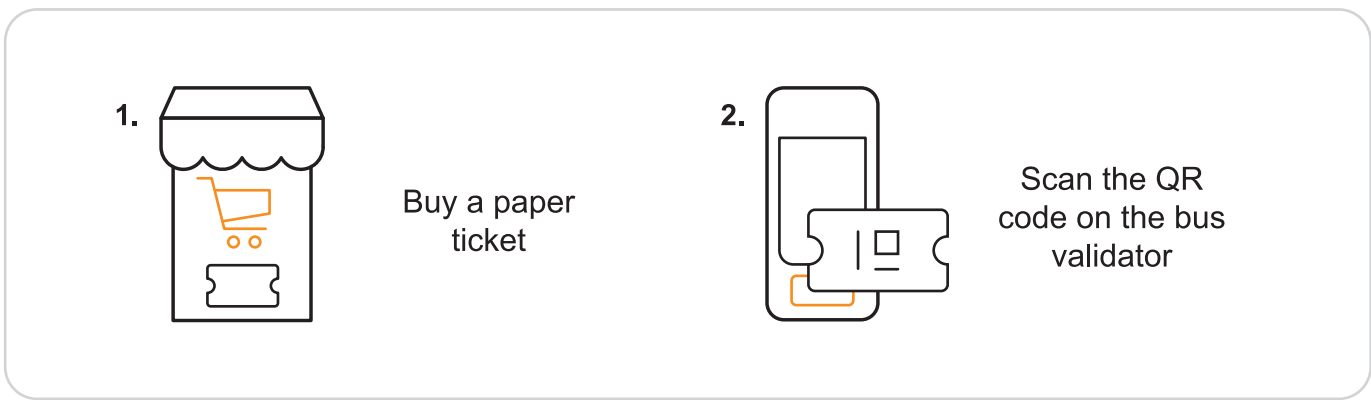

3. Paper Ticket

→ How to buy a paper ticket

- ✓ Enter exact change into the bus farebox located next to the operator.
- ✓ Visit one of CamTran’s three locations listed on back.

→ How to use your paper ticket

To transfer, keep your paper ticket and scan the QR code on the next bus validator. Your transfer is valid for 120 minutes after you validate your ticket and can only be used to continue your trip in the same direction - not for a return trip.

Reduced Fare - Visit one of CamTran’s three locations listed on back and present proper identification and documentation to purchase reduced tickets or passes. The reduced fare card is for people with disabilities and is not a discount card. This does not apply to ages 5 or under.
