

**CAMTRAN BOARD CHAIRMAN JOE SLIFKO STATEMENT ON
ROSE M. LUCEY-NOLL, EXECUTIVE DIRECTOR OF CAMTRAN**

For Immediate Release:

Johnstown, PA - (May 20, 2026) *“Executive Director Rose M. Lucey-Noll announced internally on May 11 that she is starting to think about retirement. Ms. Rose M. Lucey-Noll remains in her current role.*

She has begun succession planning in anticipation of her future retirement, following more than three decades of service to CamTran. This is a proactive process conducted in partnership with CamTran's Board of Directors. There is no immediate change to her position, and she continues to lead the organization during this planning period.

Succession planning is a hallmark of well-managed, forward-thinking organizations. By beginning this process now, we are taking a proactive approach to ensure long-term stability and a smooth, thoughtful transition for CamTran, our employees, and the community we serve.

An internal candidate search process announcement was posted on May 11, 2026, as is CamTran's practice and an Executive Director Search Committee is in the process of being formed.”
