

CamTran Transit Center Website Update

February 2024

CamTran Transit Center Redesign Project:

The existing transit center in Johnstown is being reimagined and redesigned to better welcome transit riders from all of Cambria County and to support the vitality of Downtown Johnstown. CamTran wants to hear from the community to shape this redesign!

Review the CamTran Transit Center Redesign Public Meeting and Materials

If you missed the October 26, 2023 Virtual Public Meeting, watch the Zoom recording, see the powerpoint presentation, or read the Q&A document of questions captured during the meeting.

[Click here to see a powerpoint and video recording from the October virtual public meeting.](#)

[See the public comments about the four concepts proposed](#) for the redesigned transit center that were made while the digital comment board, Padlet, was open from December 19, 2023 - January 15, 2024.

Project Updates

- Project Team collected 200 comments on Transit Center design from Padlet, Facebook, and December Pin-Up events, with comments organized by concept and level of support (see public comments document linked above).
- Project Team created Facebook graphic and posts for final public event.
- Project Team met and discussed next steps, including potential timeframe for final public event.
