

**About Reserve-A-Ride**

The Reserve-A-Ride Program will pick you up at your door and return you to your door, in accordance with daily schedules. This service is available in the Greater Johnstown area as well as in Northern Cambria County. You must call our rural office at least one working day in advance before 2:00 p.m. to reserve your ride. The bus will take you to your medical appointments, beauty shop, visiting or just a day out. The buses are lift equipped for passengers in wheelchairs. If you need to use this feature, please tell the dispatcher at the time you reserve your ride. Certain rules and regulations apply in terms of cost and service area.

Anytime you have a reservation to use our bus and for some reason you decide not to go on the bus, you are to call our office and cancel your trip. This saves the bus from making an unnecessary trip to your home.

CamTran+ operates Fixed Route, ADA, Persons with Disabilities, Park & Ride and Reserve-A-Ride programs in Northern Cambria County. Fixed routes provide service to Patton, Northern Cambria, St. Benedict, Hastings, Carrolltown, Ebensburg, Cresson and Johnstown.

Bus service is also available to Altoona through both the fixed route and Reserve-A-Ride Program.
