

MY STOP APP

myStop® Subscription

We are encouraging everyone to **Sign up** for myStop® to use convenient features that help you get where you need to be.

- **Subscribe** to text/email messages and alerts so you know where your bus is and when it will arrive.
- **Customize** your alerts to show only your preferred routes and categories that you ride.
- **Use** myStop® to reduce bus stop waiting time, so you can spend your time doing what's important to you!

>Go to the App Store on your phone

>Search for myStop Mobile App (the symbol is black and blue with a bus in the top right corner and the word “my” in the bottom left corner.)

>search for CamTran Johnstown.

>Once installed Open the App and select the route you are looking for. It will show you where the bus is in live time and all of the stops available.
